The Mary Moon Foundation is a 501(c)(3) non-profit organization, founded by Peter and Christine O'Keefe in memory of their daughter Mary Jacqueline O'Keefe, nicknamed "Moon." Mary loved participating in arts and crafts and a variety of other activities while she spent a large portion of her final year in the hospital fighting cancer. Our mission is to conduct fundraising events to help finance art supplies, toys, parties, special events and games for the University of Minnesota Children's Hospital to help hospitalized children enjoy life, learn and grow as much as every child should. In 2016, the Mary Moon Foundation completed its \$100k pledge to the U of M. Next, the Foundation is supporting the initial investment in the construction of Crescent Cove's children's hospice. Crescent Cove's mission is to offer care and support to children and young adults with a shortened life expectancy, and their families. They are working to build the first residential children's hospice and respite home in Minnesota and are currently providing support services to families caring for children with life-threatening conditions.

Support from sponsors, donors and staff is critical to each successful event.
